2 Man Kuk Lane Tseung Kwan O

Dear Ms. Cheung,

On behalf of Rosaryhill School I am pleased to inform you that Ms Ng Hoi Ching, a former student of your school, has performed well in her academic studies in our school. We would like to take this opportunity to share this happy news with you, your staff and your students.

Ng Hoi Ching has been ranked 3/34 in her class and has been ranked 38/240 in her form. She has excelled in co-curricular activities, an active member of the Athletic Society, the Red Cross Youth Unit 48B and the Class President.

We are endeavoring to attract primary school students to study in the Secondary Section of our school which provides an "all-round" education with emphasis on Catholic Christian values. Our school stresses the importance of both academic performance and co-curricular activities to prepare students for their role in contemporary Hong Kong society.

For further enquiries and information, please see our school website : <http://www.rhs.edu.hk> or feel free to contact us on 2835 5127.

Yours sincerely,
