Dear Ms. Cheung,

Outstanding performance in inter-school competition

I am pleased to inform you that our student, Ms. Lee Ka Lok, a graduate of your school, has won an award for outstanding script in Hong Kong School Drama Festival 2012/13.

Her success reflects not only her hard effort, but also the training she received in your school. We hope that her junior schoolmates may be inspired to follow in her footsteps towards the excellence of the performance.

Please accept my heartiest congratulations and wish your school all the best.

Yours sincerely,
